The text of the letter is below.

President George W. Bush The White House 1600 Pennsylvania Avenue Washington, DC 20500

Dear Mr. President:

Sustained, heavy rains accompanied by strong winds have battered our state for more than a week. Floring is of the essence for a federal disaster declaration. The National Weather Service forecasts that so like the vital that we provide every assurance to those families which have lost their homes during the flood Currently, a range of state and local resources are being brought to bear on this disaster. However, judy While it will undoubtedly take time to fully recover from the flooding, families which have lost a home are

With respect and appreciation, and we thank you for considering this request.

We are writing to express our strong support for the federal disaster declaration request made by the G
